INTEREST LEVEL

HARD

EASY

in person event planner with inbuilt voting systems for location, date, etc

a simple energizer game that helps get to know each other with big multi-choice 'about me' style questions - you get put in a chat room with other bootcampers who answered the same way?

A classroom app that compiles all the workshop links, and the resources links broken down into weeks & topics

An app that also compiles all the video recording, class notes, and other resources (Like Blackboard)

An energizer game app Werewolf bad music

Agile voting app

SoC contacts database - twitter, linkedin, github, ways to stay in touch

SoC reddit??

Rate my [thing], site with 1-5 star voting, and comments

Simple SoC news app

- Discussed each idea as a dreamer, realist and critic.
- Chart shows our interest in coding each idea and how easy or hard we thought it would be.
- Dot voting to select one from the top 4.

Board 1

| Shamelessly steal a jackbox games idea | Agile voting app | An energizer game app Werewolf bad music | Rate my [thing], site with 1-5 star voting, and comments | SoC reddit?? |

| SoC contacts database - twitter, LinkedIn, GitHub, ways to stay in touch | An app to help get bootcampers into planning, give them guidelines, so they know where to start if unsure | Ice breaker app for when we get into new pairs | in person event planner with inbuilt voting systems for location, date, etc. | SoC music playing app |

| Some kind of SoC API for things like bad jokes, memes, resources, hosted with SQL | a simple energizer game that helps get to know each other with big multi-choice 'about me' style questions - you get put in a chat room with other bootcampers who answered the same way? | Simple SoC news app | SoC project database - everyone's projects hosted in a central project to look through (no voting though!) | App that is so broken that SoC students have to work out how to make it work |

| A classroom app that compiles all the workshop links, and the resources links broken down into weeks & topics | An app that also compiles all the video recording, class notes, and other resources (Like Blackboard) |

Board 2

| Agile voting app |
